Re: Hispanic Latino Festival annual fundraiser working towards Hispanic/Latino Education.

I would like to thank you for your interest in the Hispanic Latino Festivals and for celebrating with us Hispanic Heritage Month;

We will be hosting The Hispanic Latino Festival every year on the first Saturday of October in beautiful Downtown Sarasota from 10 am to midnight on Main Street and Osprey.

The success from 2006 was a result of a great turnout of approximately 6,000 the first year to 9,000 or more last year and continuing its growth, according to vendors and attendees responses. This year we would like for you to participate by engaging in the “Artistic and Cultural” atmosphere while supporting our mission. The **Academy of Latin Arts and Science is a non-profit 501 (c) (3)** educational organization with the purpose of bringing excellence to the Hispanic/Latino community through education and the Arts. Proceeds from this spectacular event will be allocated towards the Hispanic and Latino community via the efforts of Academy of Latin Arts and Science.

Every year we secured the commitment from some of the best live Latin bands in Sarasota and surrounding areas like Yovany and Latin Passion. Well known groups from other countries and a unique colorful folklore ballet from Venezuela, Mexico, Peru, Colombia, Cuba, Dominica Republic and others. Performances by Street Dancers, Sarasota School of Arts and Science and more in addition to authentic ethnical food from the Hispanic and Latino community and an exclusive display of Fine Art and Sculpture. In order to communicate this great multi-cultural gathering, we have collaboration with local Radio Stations, TV stations, newspapers and magazines. In 2009 SPECIAL GUEST: [Ronald McDonald](#), and a Proclamation from Sarasota County Commissioner Carolyn Mason.

Please consider sponsoring and supporting this wonderful annual event, as this event will be a way for you to reach a very large and diverse community with very little effort. As a sponsor, the potential for dividends is many times over your investment. In order to participate, please mail your tax deductible contribution to the address below. If you have any questions, please call us at (941) 302-0720. We will be more than happy to assist you in any way possible.
